

Gable Garage

From basic to breathtaking, we will build this fully customizable garage to your specifications! The higher sidewalls and heavy duty floor, makes the Gable Garage an ideal choice to store your boat, car, truck, or simply tons of stuff. Add some shelves and a workbench, and this garage turns into the workshop of your dreams!

CUSTOM SHEDS PLUS LLC

(Standard Model)

- 7' 8" Sidewalls
- Heavy Duty Floor 12" OC Floor Joist
- 2' x 6" Floor Joist

Lofted Garage

Come home from work, pull into your driveway, and smile as you park in your newly built Lofted Garage! Now you can be confident in having a warm, dry place to store your vehicle, away from the damaging snow and ice during the winter, and a cool, sheltered place to keep it during the summer, away from wildlife and bad weather! Add some shelves, enjoy the spacious loft, and create storage space for all your needs!
